

Speaker Series
Rosalind Creasy
Edible Gardening

Friday, November 7
 Gail Severn Gallery, Ketchum
 6 pm hors d'oeuvres and wine reception
 7 pm presentation

Rosalind Creasy is a garden and food writer, photographer, and landscape designer with a passion for beautiful vegetables and ecologically sensitive gardening. She began her career in horticulture in the 1970s as a landscape designer and restaurant consultant. By 1982 she had published her first book, *The Complete Book of Edible Landscaping*, which won the Garden Writers Association's Quill and Trowel award, was chosen as a Book of the Month selection, and hailed by *The Wall Street Journal* as the best garden book of 1982. Considered a classic, it coined the term "Edible Landscaping," now a part of the American vocabulary. Her *Cooking From the Garden*, published in 1988 won the Award of Excellence from the Garden Writers of America. *Cooking From the Garden* introduced the American public to a vast new palette of vegetables including the then unknown: heirloom tomatoes and melons, mesclun salad greens, and the blue potatoes and corn we now take for granted. Today, Rosalind continues to share her knowledge of gardening and cooking by writing, lecturing nationwide, appearing on television and radio shows, and working as a consultant to restaurants, growers, and seed companies. Besides her books, she has been published in countless national magazines, written a regular column for the food page of the Los Angeles Times, a garden feature for *Garden Design* magazine, a regular column for *Gardening How-To* magazine, and is a contributing editor for *Country Living Gardener* magazine. Rosalind's latest publications are the ten book *Edible Gardening* series published by Periplus Publishing filled with beautiful photographs and recipes. The series was awarded a Quill and Trowel Award from the Garden Writers in 2001.

SAWTOOTH BOTANICAL GARDEN
SUNFLOWER
 Volume 15, No. 3 Celebrating Plants . Inspiring People Fall 2008

Save the Date, Sunday, October 19
 The Harvest Festival

Back by popular demand, this family event is fun for all ages and celebrates the fall harvest and locally grown food. Join in on the festivities from 12 noon - 4 pm including live music, dancing, lunch, cider press demonstration, local farm stands, horse bouncy house, petting corral, pumpkin painting, crafts, sack races, scarecrow races, and much, much more! Tickets may be purchased in advance and include food, beverage and all activities. \$10 for children, \$15 adults and \$40 for a family of four.

Gimlets in the Garden... a FABULOUS Success

Cheers! to a wonderful evening in the Garden enjoyed and supported by so many friends. Held on the beautiful evening of Sunday, July 21 patrons joined in the Garden to support educational programs and the 5-acre public garden. One hundred and twenty one guests were greeted with our signature cocktail, the Gimlet, and were escorted through the nationally recognized garden, the Garden of Infinite Compassion. Everyone loved the buffet and passed hors d'oeuvres by CIRO; many of the dishes were seasoned with herbs freshly picked from our herb garden. Live jazz music was enjoyed courtesy of the Greg Greenfield

Jazz Trio. It was a lovely evening as friends mingled and supported our community's garden by bidding on silent and live auction items. The most exciting part of the evening was seeing the paddles being raised by patrons contributing funds at the request of the hilarious auctioneer, Saul Turteltaub. We were all so grateful to see the tremendous amount of support. Thank you to all who supported the event through auction donations, in-kind services, volunteerism, bids and contributions. We exceeded our goal and raised \$49,000 in support of the Sawtooth Botanical Garden! If you did not have the opportunity to join us, we hope you will next year.

THE SAWTOOTH BOTANICAL GARDEN CELEBRATES THE UNIQUE BEAUTY AND DIVERSE PLANT LIFE OF OUR REGION. OUR MISSION IS TO EDUCATE AND INSPIRE PEOPLE TO APPRECIATE AND LIVE IN BALANCE WITH THE NATURAL WORLD.

The Children's Discovery Corner celebrated its grand opening on August 7. Families are encouraged to utilize this new self-guided activity corner for ages 2-7+, 7 days a week, 365 days a year! Age-specific cubbies are full of fun and educational activities, books, crafts and learning tools encouraging self discovery of plants, insects, trout and the native ecology in the Garden. Free of charge and generously supported by the Richard K. and Shirley S. Hemingway Foundation.

New in the Garden

Thanks to a grant from the Lightfoot Foundation 200 plants in the Garden now have plant markers identifying their common name, Latin name, family and origin. Before the gardening season comes to an end, come take notes in the Garden of Infinite Compassion, the Xeriscape Garden, Perennial Garden and Wildflower Berm to write down your favorites for next year's garden additions.

GARDEN TOUR

Thank you to all who supported the 13th Annual Garden Tour. The success of the Tour was made possible by the generosity of those who opened their gardens, sponsors, volunteers and patrons. Approximately 300 Garden Tour patrons enjoyed this year's tour in East Fork and Gimlet. We look forward to seeing you again on July 11, 2009 for the 14th Annual Garden Tour.
